

2009 Scientific Conference

August 21 - 23, 2009 - Wigwam Resort - Litchfield Park, AZ

SCHEDULE of EVENTS:

FRIDAY, AUGUST 21, 2009

9:00 am - 12:00 pm

3 CEU's

"Dental Aspects of Weight Loss Surgery" featuring Lori Brogna, RDH, National Speaker

- This course is designed to introduce the dental professional to the world of Bariatric surgery. More people choose weight loss surgery as a treatment for morbid obesity today than ever before. There is a great need out there for these patients to be educated on how this surgery with not only affect their overall health, but specifically their dental health. Weight loss surgery patients need the support of not only their family, friends and medical providers, but they need the support of the dental community. The role of the dental clinician in communicating information in regarding dental health is critical to success. This course is designed to enable the dental professional to understand the patient's aspect of weight loss surgery so that they can better plan long term treatment and is ideal for the entire dental team.

12:00 pm - 1:30 pm

Luncheon, Corporate Sponsorship Recognition & Sponsor Exhibits

1:30 pm - 4:30 pm

3 CEUs

"Headliners: Breaking News and It's Effect on Health Care"

featuring Betsy Reynolds, RDH, MS, Internationally renowned speaker & educator

- As the dental patient population continues to become more aware of the impact overall health care strategies have on oral health, the dental hygiene professional needs to likewise keep abreast of breaking news involving dental, medical and other scientific breakthroughs in order to appropriately address patient concerns and develop truly comprehensive treatment plan protocols. Recent, potentially ground-breaking topics will be explored in an interactive, relaxed forum utilizing a variety of information sources—from radio broadcasts, newspapers and television to refereed professional journals, popular consumer magazines and laboratory studies. Participants are encouraged but not required to bring any information of interest to this seminar for discussion purposes—be sure to include where the information was obtained (for sharing purposes).

SATURDAY, AUGUST 22, 2009

9:00 am - 12:00 pm

3 CEUs

"Non-Surgical Periodontal Therapy - Secrets to Success" featuring Catherine Fairfield, RDH, International Speaker

-This course delivers the secrets to successful non-surgical periodontal therapy with the intention to inspire clinicians. Current biologic rationale supporting the 'gold standard' of SRP as part of non-surgical periodontal therapy is reviewed in partnership with the latest scientific literature on periodontal diseases. The role of a 'balanced biofilm', host-immune responses, and systemic diseases are introduced as key elements in the development and treatment of gingival and periodontal diseases. Points of interest such as root morphology, effective treatment planning, instrument selection and sharpening, advanced instrumentation concepts, detecting clinical instrumentation 'endpoint', and adjunctive therapies are discussed.

12:00 pm - 1:30 pm

Luncheon/ Guest Speaker & Sponsor Exhibits

1:30 pm - 4:30 pm

3 CEUs

"Facing the Fire - Humor and Anger at Work" featuring Devon Hansen, Inspirational Speaker, Artist & Author

- Dental hygienists are faced with constant changes and often are confronted with stressful angry situations. They need to know what anger is, where it comes from and the healthy choices available. Did you know anger is a natural resistance to change? Understanding the dynamics of anger can help employees turn negative situations into positive solutions. This educational, inspirational presentation sprinkled with humor and candid sharing leaves the audience feeling empowered with positive choices.
